EMPLOYMENT OPPORTUNITY

TMS Team Leader

Full-time Position in Global Logistics

Get to Know Us:

A career with **John S. Connor in Global Logistics** is an opportunity for personal and professional growth. In today's exciting logistics field, your contribution will play an important role in the continued success of our esteemed customers. Founded in 1917, we are a leading provider of supply chain and logistics services, customs brokerage and transportation for global importers and shippers.

Company Culture:

At John S. Connor, our success is powered by people and technology. We believe that every customer deserves peace of mind, provided by a comprehensive logistics strategy and a robust technology platform. Our culture and customer-focused mission assures that your contribution will be recognized and rewarding. We encourage employees to be engaged, inspired and diverse. Success is celebrated and integrity is at the core of our values.

Summary of Position:

The Transportation Management System (TMS) Team Leader regularly monitors the updates and improvements in the software for implementation as needed, conducts integrated training needs assessments, and oversees, organizes, coordinates, and conducts adoption of our operating system.

- Collaborates with vendors and partners to resolve issues as they arise
- Consults with managers and teams to clarify program objectives and identify current operating procedures as well as refine and/or develop processes
- Develop, enhance and document standard operating procedures and internal operating procedures for operations to support technology adoption
- Support our teams' adoption of this technology as well as motivate, monitor, and evaluate the utilization
- Travel to various company and customer locations for system adoption and meetings as well as attending external conferences and training
